The purpose of this communication is to inform you of a number of events that are happening in week 2 and week 3 of the third term that will impact on student attendance.

**Learning Conferences**

On Thursday August 5 and Tuesday August 10, the school will be holding Learning Conferences and classes will not be operating. This is a continuation of previous practice in our drive to be more responsive to parent(s) ability to participate with their children at the learning conferences.

Thank you to the parents that completed the report and learning conference survey that has informed our decision to continue with this practice. Learning Conferences will operate from 1:00pm to 7:00pm on both of these days.
