**Moana New Zealand has some fantastic opportunities available now!**

Tainui Group Holdings and Moana New Zealand are working closely together to create meaningful and sustainable career pathways and employment opportunities to support the growth of the people of Waikato-Tainui.

Moana New Zealand is the largest Maaori owned fisheries company in New Zealand. We are true guardians of the world's most pristine and sustainability managed fisheries (kaitiakitanga). We are dedicated to contributing to the wellbeing of future generations (whakatipuranga) and have a deep sense of responsibility to our people (manaakitanga) and respect for kaimoana.

Moana New Zealand offers a variety of rewarding career opportunities at all levels and across a wide range of locations in Aotearoa; Coromandel, Nelson, Whangaroa, Auckland and the Chatham Islands plus many more.

If you enjoy working outdoors and by the ocean maybe a position in one of our oyster farm teams would appeal or maybe you would like to work in one of our factories that process over 27 species of fin-fish to a wide range of customers like My Food Bag or New World.
