

# Wintec Online Career Support

Teena koe,

I am reaching out to offer my support throughout our new 'normal'. It is important to note that Wintec is still open in a virtual capacity. As we all navigate this unprecedented situation, the Wintec Student Recruitment Team is exploring alternative ways that we can still support career conversations with your students. We have come up with the below solutions and are open to further suggestions. Please forward this email onto your students and encourage them to reach out.

## **Do you have questions about programs?**

If you have any questions about programs or want to explore what your options are here at Wintec, reach out, I can help. You can either email me, [kelsy.carter@wintec.ac.nz](mailto:kelsy.carter@wintec.ac.nz) or give me a call, 0800 2 Wintec extension 3050.

## **Would you prefer a (virtual) face-to-face conversation?**

We are offering Zoom sessions for career conversations, an online version of what we would be doing when visiting your school. Either on your own or with a small (virtual) group we can discuss the options you may already have in mind or explore other study opportunities at Wintec.

## **Future You career quiz.**

Still exploring what life after school could look like for you? By answering some online questions, our tool will suggest jobs and courses of study suited personally to you. Discover through the link below: <https://www.wintec.ac.nz/future-you/discover?question=1>

Are you curious to know what job and study options are available? Explore over 400 job opportunities, including a New Zealand wide list of what you can study, and where. Explore this information through the link below:

<https://www.wintec.ac.nz/future-you/explore>

If you want to discuss your Future You career quiz results, or explore one of the jobs you found, then I can be your Career Mentor. Just get in contact through my details mentioned above.

## **Want to check out our campus?**

You can have a virtual tour of our campus and explore our student support services through our YouTube channel. Linked below is a good video to start with.

<https://www.youtube.com/watch?v=qwEC3Z0t8Cg>

## **Reach out.**

If you do have any questions or if you want to discuss your options, we are still here and want to make sure you have all the information you need.

He waka eke noa – we are all in this together. Take care and I hope to hear from you soon.

Ngaa mihi,

**Kelsy Carter**
